

## Call for papers: 10<sup>th</sup> CITY HEALTH INTERNATIONAL CONFERENCE

9-10 JUNE 2020

We are pleased to announce that the 10th edition of the City Health Conference will take place 9 in Warsaw, Poland, June 9-10, 2020. The event examines current policy and practice in relation to public health and health behaviours in cities.

The conference theme is *Compassionate Public Health Policies For Compassionate Societies*. The event will examine why harm reduction is applied differently in different areas of human behaviour. We will discuss similarities and differences across the spectrum of harm reduction approaches. Together, we will identify the developments necessary to achieve a consistent, inclusive and compassionate set of harm reduction policies and practices.

The draft programme can be found [here](#). Among confirmed speakers are Ethan Nadelmann (Drug Policy Alliance), Alex Wodak (Australian Drug Law Reform Foundation), Anke Van Dam (AFEW International).

The deadline for abstract submission is February, 29. More information about the abstract submission is [here](#).

The conference engages policy makers, professionals, academics and consumers/users of services in discussions and debates on policy and practice.

The conference partners are the University of Warsaw and the Faculty of Health Sciences Medical University of Warsaw.

More details about the conference can be found here <https://cityhealthinternational.org/>

The video presentations from the previous events can be found [here](#).
